* Trimmers equipped with loop handles. For models that are available with optional handles, "R" and "RT" denote loop handle versions.

Always equip unit with proper handle, deflector (or limit stop) and harness for cutting attachment. See STIHL Cutting Attachments catalog and instruction manual for detailed information.

- Approved for use with designated unit as originally equipped.
- Approved for use with loop handle only if equipped with barrier bar (4130 791 4400), deflector kit (4119 007 1013) and a single or double shoulder harness.
- Approved for use with bike handle, double shoulder harness and limit stop.
